## Bingo Night was a BIG Success!

Oh, what a night!  
Fun and prizes at our Bingo Night fundraiser!

Thank you to The Union Fire Company and Rescue Squad for always allowing us to hold this event. Their generosity is greatly appreciated.

Mike Menschner from M Entertainment ([www.mypartyauthority.com](http://www.mypartyauthority.com)) was so kind to donate his time and sense of humor to make the night a success. He just happens to have adopted a SoCo dog too!

This night would not have happened without Laurie White. She is such an animal lover & spearheaded this entire fundraiser! She did an amazing job to create an event that ran seamlessly & was super fun. You rock Laurie!!!❤️

To all our old and new friends, thank you for joining us for BINGO, we appreciate your support!!! We can't wait to do it again next year!
